

The Greatest Showman Medley

(The Greatest Show)

Whoa x7

This is the greatest show.

It's ev'rything you ever want, it's ev'rything you ever need, and it's here right in front of you.

This is the greatest show.

It's ev'rything you ever want, it's ev'ry-thing you ever need, and it's here right in front of you. This is where you wanna be.

We light it up we won't come down, and the sun can't stop us now.

Watchin' it come true, it's takin' over you.

Oh, this is the greatest show.

We light up we won't come down, and the walls can't stop us now.

We light up we won't come down, and the walls can't stop us now.

(I Will Come Back Home)

From now on, these eyes will not be blinded by the lights.

From now on, what's waited 'till tomorrow starts tonight, it starts tonight.

Let this promise in me start, like an anthem in my heart.

From now on, from now on.

From now on.

From now on.

And we will come back home, and we will come back home, home again.

And we will come back home, and we will come back home, home again.

And we will come back home, and we will come back home, home again.

And we will come back home, and we will come back home, home again.

And we will come back home, and we will come back home, home again.

And we will come back home, and we will come back home, home again.

(Come Alive)

Live, come alive, go and light your light, let it shine so bright.

Reachin' up, to the sky, and it's open wide you're electrified.

And the world becomes a fantasy, and you're more than you could ever be,

'cause we're dreamin' with our eyes wide open.

And we know we can't go back again to the world that we were livin' in,

'cause we're dreamin' with our eyes wide open.

So come alive.

And the world becomes a fantasy, and you're more than you could ever be,
'cause we're dreamin' with our eyes wide open.
And we know we can't go back again to the world that we were livin' in,
'cause we're dreamin' with our eyes wide open.
And the world becomes a fantasy, and you're more than you could ever be,
'cause we're dreamin' with our eyes wide open.
And we know we can't go back again to the world that we were livin' in,
'cause we're dreamin' with our eyes wide open.
'cause we're dreamin' with our eyes wide open.
So come alive.

(This is Me)

Look out 'cause here I come, and I'm marchin' on to the beat I drum.
I'm not scared to be seen I make no apologies, this is me.
Oh, oh, Oh, oh, oh, oh, oh.

This is me.

Look out 'cause here I come, and I'm march-in' on to the beat I drum.
I'm not scared to be seen I make no apologies.

This is me.

Look out 'cause here I come, and I'm marchin' on to the beat I drum.
I'm not scared to be seen I make no apologies.

This is me.

Oh, oh, Oh, oh, oh, oh, oh.

This is me.
