Dear Parent or Guardian,

As you know, the world has been gripped by Olympic fever and St Clare's Abbey is no different.

Following on from the great success of the Home-School Projects last year, we have decided that September's project will be based on the recent Olympic Games and Paralympics. As homework for the year has yet to officially begin, we would love if you and your child used this opportunity to conduct some research and produced a fun project based on either (or both) of these fantastic events. Your project can take the form of a poster, report, presentation or a different method of your choosing, it's up to you! Maybe you will choose to base your project on:

- A report on the Rio Olympics
- Research on a particular sport/event
- Information about how a certain country fared at the games
- A fact file on your favourite athlete
- The history of the Olympic Games/Paralympics
- Some photos of you acting out your favourite moment in Olympic history.
- How you can display the Olympic values of respect, excellence and friendship or the Paralympic values of determination, courage, equality and inspiration.

These are just some ideas, it's totally up to you!

Please return your completed project to your class teacher by Friday 30<sup>th</sup> September.

Good luck,

Mr M. Digney
