18 September 2017

## PARENTS' INFORMATION EVENING

Dear Parents

I invite you to our Parents' Information Session on Thursday 28 September 2017 at 7.00 pm in the school. Your child can accompany you and we will provide a **"Movie and Treats Night"** to entertain him/her, while you spend time with the teachers in your child's year group.

This evening is very important as the staff will show you lots of things to do at home to help your child in his/her learning in Literacy, Numeracy and ICT.

Research has shown that your child's educational journey will be more successful if home and school work together, so I urge you to please, please join us.

To help with planning, please return the attached slip to your child's class teacher by Wednesday 20 September 2017.

Yours in Partnership  
*Mrs M Monaghan*
