Parent,

You will be aware from media coverage that Education is experiencing a major funding crisis. Our school budget has been cut and further cuts are planned. As a result of this we have no option but to reduce the number of activities on offer.

We are also forced to increase the parental contribution to £15 for each term.

The two 'After School Clubs' which will continue to operate are:

- **Early Morning Club**
- **P1 – P3 Club**

The following charges will apply for attending the clubs:

Early Morning Club £15.00 per Term

P1 – P3 Club £15.00 per Term

Should there be more than one child in a family attending 'After School Clubs' only one charge will apply.
