22 January 2021

Dear parents,

Thank you for engaging with the teachers this week. It has been lovely to see comments being left in response to the teachers' posts.

For those who have been coming onboard with Microsoft Teams, thank you for your patience. When it has worked it has been great and we will keep trying.

Please note, until further advised, any emails that would have been made to Mrs Monaghan should be made to [esweeney242@c2kni.net](mailto:esweeney242@c2kni.net) or a call should be made to the school office.

Have a lovely weekend

From all in St Clare's Abbey
