Dear parents

I thank you for your support for the Easter raffle in aid of Trocaire and am delighted to say that we raised **£1,002.00**.

Our pupils have produced a beautiful re-enactment of the Stations Of The Cross. It would be great if you could get a chance to watch the video below with your family on Good Friday. The details regarding Easter Church ceremonies are also posted on the school website, I know that the priests are really hoping that they will have full churches this year.

I wish you a wonderful Easter break.

Yours in partnership

Mrs Monaghan
