

12 Courtenay Hill, Newry, Co Down, BT34 2EA  
Phone: (028) 3026 2175

The PSNI have visited school and reported that they have received a number of complaints re vehicles on Courtenay Hill causing obstruction and forcing children and parents with prams out onto the road particularly on that narrow stretch of footpath near the pedestrian entrance.

We all agree that there is a high volume of traffic at the start and end of the school day. To ease the situation and help the flow of traffic drivers are requested not to park on the school side of Courtenay Hill where cones are placed and they should certainly not park on that narrow stretch of footpath near the pedestrian entrance forcing children and parents with prams out onto the road.

Thank you in advance for your co operation
