

GENEROUS

That's what we are in
St.Clare's Abbey.

In St.Clare's Abbey we can be generous in different ways.

We can be generous by: giving up our time , by helping others, letting other people use our things and just being nice in general.

Different ways to be generous!

We encourage generosity

Generosity is encouraged immensely in our school, by our teachers holding a reward system for girls and boys who behave well and are generous.

Role models!!

In St.Clares Abbey we are very generous.

It is especially important for primary 7 because the younger pupils look up to us and try to copy our actions.

Our younger pupils have even started being generous with their toys!!

Charity work

We have ,this year, been helping a lot of charities like: St. Mary's restoration fund, Trocaire, Barnardo's and the St. Vincent de Paul organisation!

In St. Clare's Abbey we all love being generous by helping other people.

The End
