

Addition with Bridging

PRIMARY 4

	T	U
	6	8
+	2	7
	9	5

1. Say the whole sum and estimate the answer by rounding.

2. I begin by adding my units.

Eight units and seven units are fifteen units- fifteen units are 1 ten and five units - record 1 ten and 5 units in the correct columns.

3. Six tens add two tens add one more ten is nine tens - record 9 tens in the correct column.

4. Draw a line under my answer and compare it with my estimate.
