

Special Diet Application Form

If your child requires a special diet, please fully complete this form and return to the school office.
Please note-

- If your child requires a special diet for religious or cultural reasons or because they are vegetarian or vegan, please fully complete Part A and Part B of this form.
- If your child requires a special diet for medical/ health reasons, please complete Part A and Part C of this form, **in addition to** a Special Diet Medical Form. Please note, special diet medical forms may be signed **only** by a medical consultant, GP or registered dietitian.

Incomplete forms will not be accepted and will be returned to parent/guardians for completion. This may result in a delay in your child receiving a special diet.

PLEASE NOTE- The school catering service will accommodate specific dietary needs from existing menus and ingredient range, therefore a child with a special dietary need may not always get a choice of dishes. If any specialist dietary preparations and prescription foods are required these will need to be supplied by the child's parent/guardian. The set price for school meals will remain the same in these circumstances.

PART A- CONTACT DETAILS

Example Qualitative Risk Assessment

School		Activity	Pupils requiring a medically prescribed diets.	Review Date:	
--------	--	----------	--	--------------	--

Assessment completed by:					
Name:		Date:		Signature:	

Hazard	Persons Exposed and How	Current Controls	Further Action Necessary	Action by Whom	Action by When	Completed
Pupils with medically prescribed diets Inadvertent contact Staff not aware of pupil's dietary requirements	Pupil Allergic reaction	Parents are asked in writing at the beginning of each school year to notify the school of any special diet requirements their children have by completing Special Diet Application and Medical Forms. Principal shares information with School Catering Service (SCS).	Personal emergency care plan in place for each child who suffers from allergies.			
		Meeting between Parent, Principal and Catering Representative. Dietary requirements, possible limitations and risks, food preparation and provision all discussed with agreed outcomes and action plan.	The child's reaction to contact with this food may be so severe that they may require staff to administer medication.			

Hazard	Persons Exposed and How	Current Controls	Further Action Necessary	Action by Whom	Action by When	Completed
		<p>All staff are aware of the pupil's requirements and monitors the situation accordingly.</p> <p>SCS to take appropriate action to avoid the use of allergenic food in the kitchen.</p> <p>Other school food outlets (breakfast club, tuck shop, afterschool club) to undertake the same actions.</p>	<p>Staff are fully trained in administering medication and have written consent of parents before doing so.</p>			
		<p>A letter sent home to all parents informing them that a child at the school suffers a food allergy and that the particular food should not be sent to school in packed lunches, snacks, birthday cakes etc.</p>	<p>Staff undergo annual training in the use of adrenaline auto injectors if necessary.</p>			
		<p>At lunchtime, agreed protocol used for checking that correct pupil is receiving correct school meal (pupil wears wristband).</p>				
		<p>Pupils aware that they cannot share food with peers with medically prescribed diets.</p>				
		<p>Review of all special diet requirements performed annually.</p>
